Dear Ms. Swales:

This letter confirms our telephone conversation of December 5, 1988, with regard to the letter addressed to our client, Rollie Williams Paint Spot, Inc. That letter requests information relating to Himco Waste Away and Himco, Inc., and further requests that the information be supplied within 30 days from our client's receipt of the letter. You agreed that our client may have until the end of December, 1988, to provide the information and you also instructed us that if we need a further extension then we should request that extension on either January 3, 4, or 5, in 1989.

I also understand that the requested information should only be for the time period from 1960 to 1976, and it should relate to the Himco landfill site located on County Road 10, in Elkhart.

If anything I have said in this letter is incorrect, then please contact me immediately.

Thank you.

Very truly yours,
